

## **MISSION**

The Cheyenne Gymnastics Parent Booster Club (CGPBC) was organized in 2008 to help alleviate costs incurred during our competitive season. The CGPBC is made up of our team gymnasts and their parents/ guardians. Each member is expected to volunteer throughout the year to qualify for the funds that we fundraise. Funds raised from volunteering can be used towards meets, gymnastics apparel, and different gymnastics related events.

Welcome, Cheyenne Gymnastics Team Gymnasts' Parents and Guardians! The Cheyenne Gymnastics Parent Booster Club (CGPBC) would like to welcome you and invite your participation in the club. The CGPBC is a volunteer group which was formed to promote Cheyenne Gymnastics and support our gymnasts through fundraising and team support. The funds raised are used to help support the Cheyenne Gymnastics Program and to offset costs of the team girls' meets and camps, which is a great financial benefit. Fundraising has promoted a sense of unity between the parents, and some of the items sold will promote team spirit and pride for the gymnasts (sweatshirts, window decals, car magnets, etc.).

New members, new ideas, and new skills are welcome additions to the Cheyenne Gymnastics Parent Booster Club! Monthly meetings are held in the small gym at the Neighborhood Facility Parks and Recreation building at 6:30 p.m. on the second Tuesday of the month, unless specified otherwise. Please fill out the form below and submit via the email address or give the form to one of the coaches or Booster Club board members. Thank you so much for your support of the Cheyenne Gymnastics program! Go Cheyenne gymnasts!
